

Pigeon

KA- THUCK

The smell of Magnolia trees knocks me out

...I've been reading butterfly wings for years...

\\Finally I can see your Aura—

Kisses Me

xo

Pigeon

I keep a cosmic queen in my heart and she poses.

Bom Dia
Bom Pao

I smiled the length of Sao Paulo\\while you hailed a cab
...while you moved the earth great
distances...

and the perfect orange flowers say goodbye.

A call way back in the blood goes dance dance dance

I drew a picture only she could

understand.

THE LOVERS lay on the grass staring up at the comet that
disdains to destroy them at least for one night.

...Baby, wake up...

He, the Night

THE LORD SAYS THE LORD'S PRAYER

Drums call us every which way

The ocean sings a song you know the words to.

...Baby...

mist and salt in the corners of your eyes

The Indian goddess prepares herself, perfumes her

neck.

To an extent, we were

---and now this song of wings.

Amen

...her...

♪ Finally I will stare at the sun— Let my Lionheart
roar ♪

obrigado
bom noite

We then see ourselves turn to salt.

The gracious animal tongues annihilate us.

...give me all your love...

& again

xo

Do you remember the trip we took right after we got married? How we gave up the house and put the dog in the car? And years later I am still dreaming about driving through the darkness with you.

Bom Noite

...the trees seemed taller...
